

Certified Prescribed Burn Manager Course

Presented by

Location: Nacogdoches, TX- Alazan Bayou WMA- Outdoor Classroom

When: June 1-4, 2020 (8:00 am to 5:00 pm)

Cost: Free (seating limited)

This Prescribed Burn Manager Training will be held June 1-4, 2020 at TPWDs's Alazan Bayou WMA near Nacogdoches, TX. The course will be open to the public, but pre-registration is required. Due to current social distancing recommendations, 9 student slots are available and priority will be given to students who meet the experience requirements for TDA certification. Students who pass the final exam will meet the education requirements for becoming a Texas Department of Agriculture- Certified and Insured Prescribed Burn Manager in region 4 (East Texas). Additional requirements for certification include: 3 years of prescribed burning experience in region 4, 30 days of prescribed burning in any region, 5 days of prescribed burning as the responsible individual, and qualifying insurance policy ([TDA Prescribed Burn Program](#)). The field day of this course will require students to demonstrate an ability to safely participate in a prescribed burn. To register for the course, email a completed registration form to Andy McCrady, Texas A&M Forest Service- Fuels Coordinator, at wmccrady@tfs.tamu.edu by May 15th. **Please print or fill out digitally.**
