**April 24, 2019**

**9:00 AM - 3:00 PM**

**Limit  
18 Participants**

**Lunch Provided**

**Register Now!**

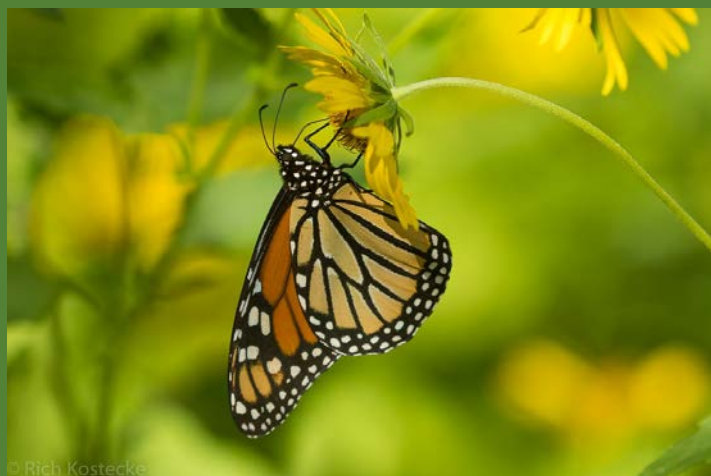

**ROY E. LARSEN SANDYLAND SANCTUARY  
4208 HIGHWAY 327 WEST  
SILSBEE, TEXAS 77656  
PUBLIC PARKING LOT-SOUTH ENTRANCE  
(EAST SIDE OF THE VILLAGE CREEK 327 BRIDGE)**

**Landowners - spend the day with:**

- ❖ Dawn Stover (SFASU Pineywoods Native Plant Center, Nacogdoches),
- ❖ Alan Shadow (USDA NRCS East Texas Native Plant Materials Center, Nacogdoches),
- ❖ Tyler Wayland (Texas Native Seeds-East Texas Natives Project), and
- ❖ Shawn Benedict and Wendy Jo Ledbetter (Nature Conservancy)

Learn about native grasses, forbs, and wildflowers of native pine and hardwood forests, and the importance of pollinators. Tour the preserve lands to see identified plants and view management techniques being used for enhancement of forest groundcover.

**For more information and to register, contact Wendy Ledbetter at 409-658-4300 or email at [wledbetter@tnc.org](mailto:wledbetter@tnc.org)**
