

Landowner Workshop and Field Tour

Wildlife, Forestry, and Pond Management in the Pineywoods

September 14th, 2019

9 am – 2 pm. Limited to 40 participants

Join us for this **FREE** workshop and field tour demonstrating techniques for multi-use management of Pineywoods habitat. The landowner and local representatives of natural resource agencies will discuss development of plans, funding, and implementation of habitat practices. Participants will observe results of on-the ground practices and be able to discuss specifics with management professionals.

Topics include:

- * Prescribed fire benefits, planning, and implementation
- * Wildlife management practices
 - * Cost-share assistance for resource improvements
- * Benefits of timber thinning and herbicide application
- * Pond construction and management

Location: Rocky Hill Ranch

1710 Pierce Road Oakhurst, Texas 77359 (*best access is on FM 946 from Oakhurst or Old Staley Rd from FM 980, there is no access from the north on FM 980*)
