

Certified Prescribed Burn Manager Course

Presented by

Location: Lufkin, TX

When: June 2-5, 2025 (9:00 am to 5:00 pm)

Cost: FREE- registration fee is being covered by grant funding.

This Certified Prescribed Burn Manager Training will be held June 2-5, 2025 in Lufkin, TX at the Texas Forestry Association. The course will be open to the public, but pre-registration is required. (6 CFT's available on 6/2/25) Lots of space is available but if seating fills up then priority will be given to students who meet the experience requirements for TDA certification. Students who complete the 4 day course (including the exam) will meet the education requirements for becoming a Texas Department of Agriculture- Certified and Insured Prescribed Burn Manager. Additional requirements for TDA certification include: 3 years of prescribed burning experience, 30 days of prescribed burning in any region, 5 days of prescribed burning as the responsible individual, and a qualifying insurance policy (these are not required prerequisites for the course). The field day of this course will require students to demonstrate an ability to safely participate in a growing season prescribed burn. To register for the course, email a completed form to Andy McCrady, Texas A&M Forest Service- Program Coordinator III (936-689-9393), at wmccrady@tfs.tamu.edu by May 23, 2025.
